

Atlanta Publishing House LLC CrossMark Policy Statement

All articles published in Atlanta Publishing House LLC (European Journal of Chemistry) receive a DOI number and are permanently published. Atlanta Publishing House LLC (European Journal of Chemistry) now participates in the [CrossMark service](#). CrossMark is a multi-publisher initiative from Crossref to provide a standard way for readers to locate the current version of a piece of content. By applying the CrossMark logo Atlanta Publishing House LLC (European Journal of Chemistry) is committing to maintaining the content it publishes and to alerting readers to changes if and when they occur. Clicking on the CrossMark logo will tell you the current status of a document and may also give you additional publication record information about the document. The journal content that will have the CrossMark logo is restricted to current and future journal content and is limited to specific publication types.
